Additional Journal Article List 2017

This list contains articles 3-10 years old from core journals and articles within the last 10 years from non-core journals and is designed to bridge a perceived gap in the recommended reading between recent journal articles, non-core journals and textbooks. It contains article the committee deems likely to inform and impact the practice of veterinary ECC. We aim to keep this list to <100 articles and will review and update it annually.
