The Criticalist Position:

SASH Adelaide is looking for our fourth enthusiastic and dedicated Critical Care Specialist to join Dr Nicole Kalnins, Dr Morgan Woodforde and Dr Megan Collins. You will work in a growing multidisciplinary setting onsite, whilst also having the opportunity to collaborate with the extensive network of SASH specialist's interstate. You will help supervise our team of Emergency Veterinarians who will manage routine emergency cases. Surgeons will be on call 24 hours to assist with surgical emergencies. MRI and CT are on-site.

To be considered, you will need to:

- Value a hospital culture of inclusivity, empathy and teamwork.

- Be eligible to register as a Veterinarian in South Australia.
- Be a recognised Emergency and Critical Care Specialist either a Fellow (ANZCVS) or Diplomate (ACVECC, ECVECC).
- If you have completed an approved residency training program in small animal emergency and critical care and are eligible to sit a certification examination, we would still love to hear from you

What's in it for you?

- Life in one of the world's most liveable cities, blessed with beautiful beaches, the stunning Adelaide Hills, an outstanding education system, and world famous wine regions such as the Barossa Valley, McLaren Vale and the Clare Valley
- Attractive salary package with no commission structure, encouraging case collaboration across our teams
- Significant contribution towards relocation expenses and for international applicants, full reimbursement of any required visa or travel permit costs
- Generous continuing education allowance
- SASH Paid Parental Leave scheme for all new parents.
- Excellent work-life balance
- Working in a veterinarian owned organization with leaders who understand the priorities and purpose of specialty and emergency medicine
- Collaborating with a like-minded and dedicated group of SASH specialists, interns, nurses and support team members
- Employee discounts and social events
