

## **Criticalist – SASH Sunshine Coast**

*Are you looking for a fresh start, in a team that prioritises gold-standard patient treatment? Do you want to be part of a team that is passionate about creating a positive change in the veterinary industry, while encouraging personal growth and support across the entire team?*

**Then we want you to be part of our team!**

The Small Animal Specialist Hospital (SASH) was established in 2007 and is the largest vet-owned and vet led group of emergency and referral hospitals across Australia. We now have 7 hospitals in the network, including the beautiful Sunshine Coast Hospital. Our purpose-built modern facility has been recently refurbished, providing a state-of-the-art clinical space for our team to produce gold-standard patient care. Boasting a relaxed beach lifestyle, with plenty of beautiful beaches by our doorstep, along with stunning subtropical hinterlands to explore on your weekends, the Sunshine Coast offers something for everyone. Located only 1 hour North of Brisbane and 30 minutes from the popular holiday destination Noosa, you will find perfect weather all year round, along with world heritage sites Fraser Island and the Great Barrier Reef ready to explore. To find out more about Australia's amazing Sunshine Coast, please visit: <https://www.youtube.com/watch?v=pKyQxGI5s9U>

The team is equipped with state-of-the-art technology including endoscopy, CT, ultrasound and fluoroscopy, enabling the team to perform extensive interventional workups for their patients. We provide a complete range of clinical services to our patients with our network of hospitals working collaboratively together across the country. ### **The Criticalist Position:**

Having been well established with a committed clientele across medicine, surgery and emergency, we are looking for our first Critical Care Specialist to take our patient care to the next level. The team works extremely closely with the referral vet community to treat some of the most complex cases on the Sunshine Coast. You will work in a growing multidisciplinary setting onsite, whilst also having the opportunity to collaborate with the extensive network of SASH specialists interstate. You will help supervise our team of Emergency Veterinarians who will manage routine emergency cases. Surgeons will be on call 24 hours to assist with surgical emergencies.

To be considered for this position, you will:

- Value a hospital culture of inclusivity, empathy and teamwork.
- Be passionate about providing gold standard care
- Be eligible to register as a veterinarian in Queensland. Not sure, please visit:
- Hold a specialist qualification in Emergency and Critical Care, Fellow (ANZCVS) or Diplomate (ACVECC, ECVECC).

### **What's in it for You?**

You would be joining a business that is highly committed to our people, supporting them to achieve their goals. Just a few of the perks included in this opportunity are:

- Attractive salary package with no commission structure, encouraging case collaboration across our teams
- Fast and fuss free Visa process with extensive relocation allowance and support!
- Excellent work-life balance
- Working in a veterinarian owned organization with leaders who understand the priorities and purpose of specialty and emergency medicine
- Collaborating with a like-minded and dedicated group of SASH specialists, residents, nurses and support team members
- Employee discounts and social events

If you're interested in a great opportunity to grow in a fast-paced environment, with excellent facilities on challenging and rewarding cases, we would love to hear from you!

To apply, please send your CV to the team via the link: <https://adr.to/cqezuai>
